SUBJECT: KAROLYN PARSONS

Dear Carlos:

We appreciate the material you recently sent us concerning the above named individual. This is most helpful to us as we start a file which could lead to refusal of future registration applications.

We really would like more information concerning this matter and would like to know whether or not there is to be any legal action by the authorities. We understand you have reported this situation and there is an investigation taking place.

More substantiation of these charges will be necessary if we are to have a strong file. Please help us in any way you can so that we may complete this case.

Mrs. Karolyn Parsons

Haughton, Louisiana 71037

Dear Mrs. Parsons:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America. A refund of your registration fee is enclosed.

You should understand that Boy Scouts of America membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not meet the high standards of membership which the Boy Scouts of America seeks to provide for American youth.

If you wish to have this decision reviewed by a council review committee, please write to me within sixty days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be reinstated. The procedures for a review of this decision are attached.

Sincerely yours,

E. Grady Bogue
Council President
